Personnel Services

Garden Grove Unified School District
10331 Stanford Ave
Garden Grove, CA, 92840

To whom it may concern at Garden Grove Unified School District,

I am so honored to be applying for the 3rd Grade Teaching position within the Garden Grove Unified School District. I have a huge passion for working with groups of diverse students, and currently obtain my Bachelors of Arts in Liberal Studies with an emphasis in Elementary Education and a minor in Child & Family Development. I understand the importance of the 'Garden Grove Way' and am passionate about the implementation of the goals that have been set in place since I was a student within this same school district.

As a current teaching credential candidate with previous substitute teaching experience from the past year, as well as my diverse experience of working with special education and english language learners, I exhibit patience and passion when working with students of all ages. Along with this, I also have had the opportunity of working with students in recreational settings as well such as Day Camp programs which allow me to understand how children's minds work outside of an academically structured environment.

With my passionate and determined personality, I always work to make myself better whether that is in my personal or professional life. This includes my want to constantly improve on any new project or career I may take on. Garden Grove Unified School District's vision discusses preparing students to be successful in diverse communities, and as a homegrown product of the district, I am proud to have the opportunity to uphold the mission that brought me back to the community.

Sincerely,

Olivia Van Winkle
